## Behavioral Information – Please initial!

\_\_\_ Owner represents to Mutt Strutz that the pet(s) enrolled herein is in good health and does not possess bite histories with either humans nor other dogs.

\_\_\_ Mutt Strutz strives to care for pets in a way that is safe and healthy. Owner recognizes that enrollment of pet(s) raises certain risks, including pet(s) becoming injured or killed, or contracting certain illnesses, fleas, and/or other infestations which are beyond Mutt Strutz's ability to fully assess and/or control. Because unsprayed females can go through "silent heats," there is a risk of pregnancy, which Owner accepts upon enrollment.

\_\_\_ Owner recognizes that Mutt Strutz is not liable for injuries or illnesses caused by the negligence of any other pet care business or private individuals.
